PRESIDENT'S REPORT

Hello everyone,

The end of the financial year is already here and we are busier than ever. The end of May saw the successful running of the SSRFB's Family Fun Day and a donation from the PCPA of nearly \$1000. Then in June we had a very successful Biggest Morning Tea raising over \$1000 for the Cancer Council, thanks to Cathy Rose and a wonderful team of helpers. The work on Market Alley improvements is nearly finished as a result of the hard work and commitment of our volunteers. Also, work has finally started on the extensions to the hall. For an organisation to achieve so much is a tribute to our volunteers and helps to make Poona the place to be.

One of the stalwarts and great supporters of Poona is moving on. Ellen Wilson has been a member of the PCPA from the start, working tirelessly to improve our community. We will be farewelling Ellen at the hall 10am on 13th July. Please come along and give Ellen the farewell she well and truly deserves.

We are continuing with our end of month event which is free and open to all comers. For details on events scheduled see the "What's on for the Month" section of this publication.

For some time now, we have been working with Council to better manage green waste from Council controlled foreshore areas. The procedures in place have been reviewed and some changes will be implemented to improve outcomes. There will be a letter box drop of the whole town to explain these changes. In addition, we are working with Council to have a trial of a Council chipper, operated by Council officers, to chip green waste from private properties. Times would align with clean ups before the storm season and when required by demand. More on how this will work in the coming months.

It is that time of the year again. Membership fees for 2021 / 2022 are now due. Our membership for this year was a record of 445 financial members, a staggering result for a progress association in a town the size of Poona. We now have assets approaching 1million dollars and an annual turnover of more than 200 thousand dollars, all earned by the hard work of our wonderful volunteers. What we do with our assets and how we spend our money is decided by the members at our general meetings. So, if you have an idea or you are unhappy about any aspects of our Association, come along to the meetings and have your say or approach a committee member to represent your opinion for you. Committee member nomination forms for the August AGM will be available soon and you are encouraged to nominate to help manage the delivery of the vital services this Association provides to our community. The next meeting is 10 July at 2 pm.

Until next time,

Jon

Membership Renewals

To renew your membership (\$5) please make a direct deposit to:Name: Poona Community Progress Assoc.

Westpac Bank - BSB: 734 128 / Account Number: 071337

For the reference please include your membership number followed by your surname (or as many characters as allowed). If unsure of your membership number please email the [Secretary](#)

FISHING REPORT

Page 3

How the year is flying by, as another glorious week gets ticked off the calendar our local anglers have had a smorgasbord of fishing available to them. Let's check out what's been caught and where.

Again, this week we had multiple area's firing and a large variety of fish being landed across the Fraser Coast. Wintertime is notorious for big bream both Black and Silver and most being landed in the Mary, Susan & Burrum River systems and their connecting creeks anywhere around structure or snags with most using Mullet Gut or Chicken Strips as bait. Some even adding the element of scents such as garlic or aniseed smells.

Pelagic fish have continued to entertain. Putting on a show throughout The Great Sandy Straits best catches has been reported on small metal slugs on the cast or 2-2.5m diving lures on the troll. Anchoring out off a local ledge or reef such as Kinbackers, Moon, The Arti or Fig Tree has had some surprising results with Cod, Blackall, Scarlets up to 50cm, Squire, Grassy Sweetlip and Coral Trout being temped.

The Threadys are still present mostly down river towards Beaver rock and river heads with Grunter, Jew and blue Salmon being caught also – most have been using livies whether it be mullet, herring or prawns.

At this time of year everyone is out enjoying the Winter Whiting Craze, with no minimum size and bag limit of 50 most anglers have been bagging out, best places are spots like Gatakers Bay, Toogoom, Burrum and of course drifting in the deeper waters in the Straits.

Arrow squid are still on the bite in the Straits with a few tigers being reported. Anglers have been targeting these giant tiger squid either in the waters around the coffee rock ledges flicking a jig or grabbing your hand spear and going for a night walk around the rocks down Boonooroo and Tuan. There are some decent muddies still showing up in pots. So worth putting them in. Tailor are starting to show up in the Straits, hitting Halco twisty's on a fast retrieve or hard bodies on the troll.

For the big boaties who got out wide, the rewards were sweet. With everything from trophy reds and snapper to monster Spanish mackerel and cobia.

Brag Board: First up is Bruce with a very nice Flathead.

Annette was amongst the Tailor in the Straits.

Lockie had a great trip out, nice Blackall mate

Will with a good Squid .

Kobyn had a ball landing this Golden Trevally .

BIGGEST MORNING TEA

Page 4

A WHOPPING \$1100.00 WAS RAISED FOR THE CANCER COUNCIL.

**WELL DONE & A
GOOD TIME WAS
HAD BY ALL!!!**

**COIN IN THE
TEA POT!!!**

Jon went to a Council meeting yesterday about Coastal Futures. This project is in its final stage with residents invited to provide feedback on the recommendations for Poona outlined below. Poona responded well to the earlier stages of this project.

Regional actions including Planning Response, Emergency Response, Community Awareness and Education, Natural Ecosystem Strengthening, and Monitoring. Key regional actions for Poona include: • Expansion of the Natural Environment Program to include foreshore and wetland habitat management. • Establish a program to deal with illegal encroachment into foreshore reserve and illegal vegetation clearing. • Council will develop practical guidance for adaptation on private land. Maintain road network: sections of road potentially exposed to coastal hazards include Boronia Drive. Remove or formalise unapproved erosion controls: remove unapproved shoreline erosion controls along Boronia Drive and consider upgrading with appropriate shoreline erosion protection structures. Long-term options Relocate public assets and infrastructure when upgrading: Poona Foreshore areas are exposed to future coastal hazards. Relocating assets within this area may be more cost effective than upgrading with a coastal hazard resilient design. Options will be investigated when considering the useful life of existing assets

To have your say go to <https://frasercoast.engagementhub.com.au/draft-new-coastal-futures-planning-our-changing-coastline> or a copy of the Strategy is at the hall along with hard copies of the survey.

A GREAT WRAP FOR POONA & THE WONDERFUL PEOPLE THAT LIVE HERE

About a month ago my partner and I spent a couple of nights in the Poona Caravan park, which I would recommend to people for somewhere to stay. I was told about the Pizza van which was to be at the hall, in lieu of the usual meal. We went over early in the evening and had a great pizza. We found the people in the hall, as well as the locals very friendly towards 2 strangers. I bought tickets in the raffle and at 8.30pm a phone call informed me I had won a meat tray. The lovely lady offered to bring it to the park which she did and was much appreciated. After being home a few weeks I got a phone call from Julie informing me I had won the money board. Again this lady went out of her way to send me the money. We would both like to thank everyone concerned and to say how much we enjoyed our stay. Best of luck for the future and will definitely be at the hall for dinner on the Friday on our next stay.
