PCPA COMMITTEE REPORT

Welcome to another edition of the Poona Post.

PCPA SECRETARY

Liz McHugh has advised that due to serious health issues, she will be unable to continue as the PCPA secretary. A finish date has not yet been decided by Liz however she will continue in the role, albeit significantly pared back, until a replacement is found. The President and Vice President will absorb most of the secretary's duties until a replacement is found. This will enable us to continue functioning as an association, because without a secretary we legally are not permitted to operate. But we cannot legally proceed like this for ever.

So, in accordance with Qld Incorporation Legislation, we are seeking to appoint a new PCPA Secretary.

The secretary's duties include:

- Maintaining the register of members,
- Sending, receiving and filing correspondence, emails or other documents,
- advising the president or treasurer about urgent matters that arise from letters or other documents,
- taking committee nominations for the AGM,
- giving notice to members about meetings,
- calling and convening meetings,
- preparing the agenda in conjunction with the committee,
- gathering and presenting any relevant documents,
- taking and keeping minutes of meetings and making them available to members.

Please contact Harry on 0419 271 925 if you wish to nominate. If we receive no nominations for this vital role, we will be forced to close. We cannot legally operate without a Secretary.

The committee offers a huge thanks to Liz for her hard work, dedication and candor.

(PLEASE CONTINUE TO READ REPORT ON PAGE 2>>>>>>)

COMMITTEE REPORT CONT/

HALL CLEANERS

Mal & Krissy Merryfull advised of their inability to continue cleaning the Hall. We have now two teams of volunteers – Jenny & Peter Brown and Dion Janssen & Crystal Hodgson who will now develop their own roster for weekly cleaning of the hall. A very big thankyou to Jenny, Peter, Dion and Crystal for helping us out and thanks also to Mal and Krissy for your assistance in keeping the hall clean.

Volunteering is what keeps this community keeping on.

SUGGESTION BOX

First Aid Notice - You may notice a change to the Poona Post front page. A suggestion was that we advertise the street name as well as the telephone number of the Poona First Aid people on the front page of the Poona Post. This would enable the person requiring first aid to call the person closest to the incident. Great suggestion and an enormous thankyou to Michele, Poona Post editor, for accommodating this change.

There's Nothing Wrong with the Hall - We received a nice letter suggesting that there is nothing wrong with the hall as it is. Yes, there could be some more social events, but there are multiple activities happening in the hall already with volunteers doing a lot of great things.

That's a wrap for this month – stay safe

HARRY

FISHING REPORT

Page 3

Hot days and the threat of afternoon storms were the combined elements that got both fish and fisherman fired up over the last fortnight. Let's take a look at the report.

The Mary River continued to fire on all cylinders. It's still very salty at the moment with plenty of run in the water. Threadfin Salmon have been on the top of the hit list with most anglers trolling deep driving hard body lures between the hi-way Bridge and Copenhagen bend, while others kicked back at Brothers Island with a couple of livey's. Shore based anglers have been doing quite well from the Pontoon at the Lamington Bridge using either fresh bait or live shrimp. Beaver Rock has also been fishing well with Threadfin and Blue Salmon, Black and Silver Bream, large Jew and Grunter reported all the way to River Heads including the Susan River.

Into the Sandy Straits now where the reports have been coming in thick and fast with everything from Threadfin and Blue Salmon, Grunter, Barra, Mangrove Jack and Estuary Cod throughout the entire estuary system, and large summer Whiting and Flathead populating the sand flats.

Sports fisho's have been in their element with the pelagic action between Wathumba and the Break Sea spit. Spanish mackerel, Long Tail Tuna and G. T's taking a variety of lures from Deep Divers to poppers and everything in between.

The Burrum 8 mile is loaded with Spotted and schoolie Mackerel. Casting and retrieving metal slugs or blades on a rapid retrieve has produced fish, however dropping the same lures to the bottom and jigging them back to the boat had an awesome effect with most anglers landing their bag limits.

The inshore reefs such as the Gables, Sammie's and the Artificial have been producing a mixed bag of quality fish including Black spot Tusk Fish, Estuary Cod, Grassy Sweetlip and Blackall and reports of G. T's in numbers throughout Hervey Bay waters.

With high winds and off tides, it seems the freshwater fishing has been on most anglers agender this week, Bass and Barra thrive on these hot muggy conditions and its sensational fun! Fishing the surface early mornings for bass around Tiaro or Teddington has been most popular.

Brag board

Tahlia had a great trip out landing this 6.4kg Blackall.

It sure looks bigger than that.

Grant may not have caught the

biggest fish on their trip,

but his Nannygai is sure the prettiest.

Alan landed this 2 kg flathead on the humble yabbie.

Pete had a good night on the Mighty Mary, very nice Threadfin

“Hot Flashes”

Page 4

There are 9 things you need to do to keep your family safe as it is now Storm Season.

Maintain your yard and balcony. Secure or stow items that could be blown around in strong winds.

Clean your gutters, down pipes and drains to prevent blockage.

Trim trees and branches that could fall onto your home or the neighbor's home.

Fix any damage to your roof including missing or damaged tiles.

Check your insurance policy.

Make a HOME EMERGENCY PLAN!!!

Have a location to go to for shelter. Don't forget the pets.

Prepare an EMERGENCY KIT in case you lose power or need to be evacuated.

Listen to your local radio station for weather warnings or look up the BOM (Bureau of Meteorology, Gympie radar) on your phone for updates.

The Brigade has been called out to several non-legitimate calls last month. This causes the volunteers great concern being called out late at night, to a nonevent. Please make sure all calls to 000 are Legitimate. Please ensure all fire access tracks are clear. Do not throw your rubbish over the fire tracks or into the scrub behind. PLEASE take it to the tip. Our talks with Council last week were very co-operative. Council took photos of all the tracks and debris and sent around machinery to clear a path for our appliances. Our appliances need to have easy access. Last week's large fire that we attended, took off quickly even though the ground was boggy and wet. The tops were still very dry and caught fire extremely rapidly, making it a very difficult fire to contain. Please do not be complacent.

Have you packed your evacuation kit, your emergency kit and do you have an emergency plan? Suggestion lists are available from the hall or the Brigade. If you have time to spare you can become a Volunteer, fire fighter or a support member. We would love to have you. Training supplied. Take care and stay safe please.

LYNN CORSER & HER TOMBOLA TEAM DO IT AGAIN!!!
