## **PRESIDENTS REPORT**

### **Poona Easter Festival**

Wow, Wow and Wow is all I can say

The attendance for this Event far exceeded our expectations and was a great family day.

There have been suggestions of over 2,000 people throughout the day that enjoyed all the activities, Car & Bike Show, the many Stalls, Entertainment, Food, Bar open, raffles and so much more.

A huge shout out to all the people that put in hours and hours in organizing this Event and to the many volunteers on the day that made this event so successful.

Anzac Day Monday 25<sup>th</sup> April.

An incredibly special and memorable time to reflect and honour all our Anzacs.

A day of remembrance to commemorate all who served and died in all wars, conflicts, and peace keeping operations. My hand will be on my heart in memory of my grandfather who served in the light horse brigade and my father who was known as the Rats of Tobruk.

### **Hall Renovations:**

Flooring will be installed Thursday 28th April and completed Friday 29th April

We are getting to the pointy end now where the completion is in sight.

Mothers Day is coming up Sunday 7th May

To all the mothers, grandmothers and great grandmothers wishing you all a very special day.

Next General Meeting will be held Saturday 14<sup>th</sup> May, 2pm

Office of Bruce Saunders MP  
Member for Maryborough

## **FISHING REPORT**

Page 3

What a great Easter we had on our waters. The winds didn't really want to play ball but where there's a will there's a way and our fishos managed to sneak around them and get into some great fishing. Lets have a look at the report.

The Sandy Straits is fishing extremely well at moment with quality Summer Whiting working the sand flats on the making tide and in the gutters at low tide.

Fig Tree has seen some large Threadfin Salmon and Barramundi landed on the top of the ledge at high tide and the gutter between the reef Islands is fishing very well for flathead. And the mud crabs are still in numbers with a few quality sand crabs been caught as well.

Large Jew have been around Ungowa and surrounding creeks along with Barramundi and Threadfin Salmon hanging around the snags. Winter Whiting have been reported on the drift between the reef Islands and Tinnanbar with the average size around 20cm.

Quality grassy Sweetlip have been reported on the gravel banks between the Bluff and Elbow point. Tinnanbar Ledge has also been fishing well for Blackall and Estuary Cod

The Mary River continues to fish well with Threadfin Salmon, Grunter, Flathead and Silver Bream all on the bite and the inshore reefs including McKenzies ledge, the Artificial and Sammies have all been producing a mixed bag of quality reef fish.

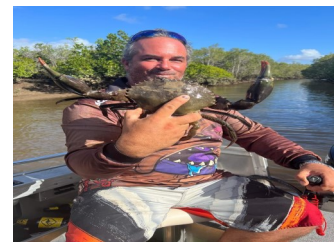

The Burrum River has also been fishing well for Grunter, Threadfin Salmon, Flathead and Whiting and quality Silver Bream and Estuary Cod have been reported at Buxton.

### **Brag Board :**

We just had to share this photo of the cutest baby Threadfin Salmon caught in cast net. There are hundreds of these in the Straits and the River at the moment so please if you do get some in your cast net, release them gently and straight away so they get to grow up.

Steve got a good feed of mud crabs.

Lincoln landed this 113cm Barra in the Straits which he released to fight another day, awesome fish mate.

Jacob had a great day out landing a nice Blackall and Grassy.
