## **PRESIDENTS REPORT**

Hi All

Our new Committee Members have settled into their new positions and are doing a fantastic job.

The Events team lead by Val McGrath have planned a fully packed schedule of events through to New Year's Eve.

A full list of upcoming events can be seen on the Hall Noticeboard and table displays each Friday night.

Val will continue to keep all informed of upcoming events through Poona Post Newsletter and the Community Facebook page.

At the last General meeting the Committee asked the members for approval for expenditure to fix the Hall roof and stop the leaks from damaging the ceiling. We have a contractor who will commence work in the first week of October. The Contractor has guaranteed his work for 12 months so we feel very confident this issue will be fixed.  
**NO MORE BUCKETS ON THE HALL FLOOR CATCHING THE DRIPS.**

Existing Boat Ramp Upgrade;  
There will no updates until towards the end of the year.

Our Next General Meeting has been pushed forward by one week due to unforeseen circumstances and will now be held on 15<sup>th</sup> October 2pm

Cheers  
Kathy Moore

## **FISHING REPORT**

Page 3

With week one of the school holidays nearly done, heading to one of our local beaches with the kiddies and a fishing rod is always a great day.

Summer seems well on its way, and we are only a few weeks into spring, and with the possibility of a storm or two in the afternoons the muggy conditions sure do stir things up. Let's have a look at this fortnights report.

With quite a few windy days this fortnight, freshwater fishing has been on most anglers' agendas. Bass and Barra thrive on these hot muggy conditions and its sensational fun! Fishing the surface early mornings for bass around Tinana or Teddington has been most popular.

The mouths of the creeks are still producing the goods, mostly fishing at Burrum and River Heads, fishos have been reporting good catches of bream, whiting and flathead and some really nice Threadfin Salmon.

The Sandy Straits is still fishing well, the huge summeries have moved in along with the flathead and some decent silver bream.

In protected waters in the Straits boaties have been rewarded with nice Blackall, mosses perch and cod on the reefs and for those who got out on the good days to the gutters, came home with some ripper catches of Scarlets up to 8kg, Cod, good eating size Parrot and Sweetlip.

The Urangan pier is a great place to go for a family day out, bream, whiting and flathead have been landed in the shallow channel, and out at the end of the pier, anglers have been getting amongst a variety of Mackerel, Mac Tuna, Jew and Trevally. Sports fisho's are in their element with more pelagic action than you can throw a lure at. Long Tail Tuna, G.T's, Cobia and Spanish Mackerel have been taken on a variety of lures from skirts to poppers, Slugs to Spoons and deep divers to Surface poppers. If you're lucky enough to be headed over to the back beach of Fraser, we are still getting great reports of Tailor and lots of Dart for the kids to have some fun with.

may not get all the hazard reduction**

**burns completed. As Queensland is one of the most disaster-prone states, communities rely on volunteers to deliver frontline operation and support before, during and after an emergency. Volunteers train throughout the year to be ready when Fire Com calls.**

**I have been asked about the mobile number 112. Yes, it can be used as an emergency number if you are unable to get through to 000 from your mobile phone. If your Sim card is in, your mobile will try and obtain the best relay signal, even if it is not from your own telco. It will try and find the best contact at no charge to you.**

**I was also asked to remind the community of putting ICE in their mobile phone's contact list. ICE or “In Case of Emergency” is the number emergency services will FIND and dial if you are in an accident. So put your close contact in your mobile as ICE.**

**Our AGM will be held on Saturday the 15<sup>th</sup> October from 2pm at the Fire Station. You are most welcome to join us. Please email your attendance.**
