PRESIDENTS REPORT

Hi all

A busy month ahead at the hall with the PCPA Christmas Dinner Celebrations, Christmas Lights Competition, Christmas Carols and New Years Eve Celebrations. Please give Val McGrath, Events Coordinator a call 0437474954 for further information.

At the last PCPA general meeting Bruce Saunders attended and spoke on a number of issues.

Bruce advised us the existing Boast Ramp upgrade is still a work in progress waiting on the feasibility study to be done and report completed.

Bruce informed us he was speaking with TMR (Transport and Main Roads) in regard to flood proofing of roads, particularly that in a big rain event Poona can become isolated.

All the issues Bruce spoke of are available via the minutes of the 12th November, which will be posted on the Community web page prior to the next General Meeting.

Thank you to Bruce for taking the time to attend the Meeting

Kahu from (Sandy Straits Rural Fire Brigade) attended the meeting and informed us SSRFB have been working with FCRC (Fraser Coast Regional Council)

Environment Department to rectify a number of issues such as clearing paths for better access for Fire Brigade Trucks, in particularly areas where there are fallen trees, thick undergrowth etc.

Kahu spoke on the role of the Rural Fire Brigade Service and that is to mitigate, attend fires and educate.

Thank you to Kahu and SSRFB volunteers working towards keeping our community safe.

For anyone that have enjoyed the walking paths in the past around Poona, but in recent times has found them to be overgrown, trees down etc, the good news is in a recent informal meet with Kahu I had mentioned the issue of the track.

Kahu included my concern when speaking to FCRC, the great outcome of that is FCRC will commence Wednesday 23rd November to clear the path.

At our next General Meeting I am pleased to have SES (State Emergency Service) Wolfgang and Suva attending to speak about the role of SES particularly in our Community's. The SES is a volunteer based organisation designed to empower people to help themselves and others in their community in times of emergency and Disaster.

Resilience is a word that keeps coming up and is so important for our community to be prepared for any emergency. PCPA are working towards Resilience Strategy's with FCRC, Community Resilience Network, SSRFB, SES, QAS (Queensland Ambulance Service). There are many things we can do and continuing to network is so important. The development of First Responder Team and Reinstatement of the Disaster Management / plan/ team will be a great start for our community.

Lastly on behalf of the PCPA Committee of Management we wish you all a joyous, happy and safe festive season.

Cheers
 Kathy Moore

Next General Meeting will be held Saturday December 3rd, 2pm

We will be providing afternoon tea and drinks after the meeting to thank you all for attendance at the meetings throughout the year.

FISHING REPORT

Page 3

We've had mixed weather conditions over the past couple of weeks, with a few of those days being perfect, and for those who were lucky enough to get on the water, the fishing was superb. Let's take a look at the report.

The Sandy Straits is firing at the moment with everything from large estuary cod on the reefs and ledges to monster summer whiting and flathead in the shallows and schools of Blue Salmon smashing the bait fish in the Channels.

Mangrove Jack are still on the hit list, we have reports from most of our local creeks. The Daiwa Bait Junkie soft plastic paddle tail is getting the job done.

The Winter Whiting are on the bite again out from Tinnanbar, the new Gulp hollow belly sand worms are working a treat.

Good quality sand crabs are being caught and Mud Crabs are still on the move with the best catches coming from the estuary systems.

The Mary River is still slowly greening up, however, large Threadfin Salmon up to 1.14 meters, quality silver bream, estuary cod and bull sharks are all being landed, along with Summer Whiting and Flathead closer to Riverheads.

The inshore reefs such as the artificial, Mickey's and Sammie's have been producing quality reef fish including Blueys, Blackall, grassy sweetlip and estuary cod.

Our Pelagic species are living their best life, smashing up the huge bait schools right up and down the Island. Always great fun to get onto.

Platypus bay is still producing Small black Marlin with the best results coming from skirted lures, spotty mackerel are taking Gillies 25-gram pilchard lures and Tuna are taking small to medium metal slugs.

The southern and northern gutters are fishing well with Reef Jack, scarlet sea perch, red emperor and the occasional barracuda, and the beaches of Fraser Island are producing quality summer whiting, flathead, golden and silver trevally.

Lets have a look at the brag board –

First up is Angus with a very nice looking Mudcrab, great work mate.

Cambel got up the creek out of the wind and landed this nice Mangrove Jack.

Stuart and Sonya had a great day out on the water chasing Pelagics, Stuart landed this Mac Tuna and Sonya a Mackerel which was released to grow and fight another day.

cheers,
Sheree

December 2022

With Christmas nearly upon us may the Sandy Straits Volunteer Fire Fighting Team take this opportunity to wish you all our great Community,

a very Happy, Healthy, Safe and Enjoyable Christmas time. May you have time to spend with Family and friends and enjoy the festive season.

We, Volunteers, on the other hand, will be very busy. Over the coming weeks, weather permitting, we will be conducting hazard reduction burns along the fire tracks including the new ones opened up by council around the Poona township. This will require all landholders to be very vigilant and follow us face book. Please take all rubbish to the dump, mow your lawns, clean and prepare your property. Have hoses at the ready, Clear your back fence line so that there is no flammable material there such as timber palings, to catch on fire. Inspections with local authorities were carried early this week. Please, have access to water and buckets of water and wet bags on the ready as many fire tracks are small and restrictive.

Safety is our number one priority. So be vigilant and prepared over the next month. Thank you to the Poona Community for their continued support and encouragement. New members are always welcome.

ALL Enquiries regarding Fraser Coast Regional Council Land Eg. Trees down across Walking Trails, EMAIL: equiry@frasercoast.qld.gov.au or Download: Snap Send Solve app off the FCRC Council Site.

Fire Calls are 000 from landline and 112 from mobiles. Secretary Marilyn, sandystraitstrfb@bigpond.com
