FISHING REPORT

Page 3

A combination of steaming hot days and high humidity certainly got the fishing action all fired up, not to mention our Anglers. Let's look at the report.

Sticking to the Rivers and Creeks along the mainland such as Tuan, Maaroom and Poona Creeks and or the Mary, Susan and Burrum Rivers has been a great option on those windy days for our local boaties over the past couple of weeks, and they haven't been disappointed with a wide variety of fish being landed. Good size Summer Whiting, Silver Bream and Flathead are being landed for those who are walking the sand flats at low tide either collecting fresh bait like yabbies or flicking a soft plastic or hard bodied lure. And in the deeper water anglers have been getting Mangrove Jack, Barramundi, Grunter, Black Bream and Threadfin Salmon with live bait being the preferred method.

The Burrum River was high on the hit list, with Barramundi, Threadfin Salmon and Mangrove Jack taken on suspending lures, soft plastic's and live baits around rock ledges and snags, and quality Flathead, Bream and Whiting out on the sand flats. Buxton has also been performing well with reports of Mangrove Jack, Estuary Cod and Grunter and a few quality Silver Bream landed in the Isis River.

German Creek has been one of the favoured locations with Anglers casting soft plastics or hard bodied lures into the drains on the making tide and landing quality Threadfin Salmon and Barramundi or fishing the deeper holes and catching some quality Grunter around the 50cm mark.

Our reefs and ledges throughout the Sandy Straits have been producing mixed bags of quality reef fish such as Parrot, Grassy Sweetlip, Mosses Perch and Cod. Fraser Island between Deep Creek and Fig tree has been fishing well for Barramundi, Grunter and Threadfin.

Large Barramundi and Jew are in numbers hanging around the jetty at Kingfisher Bay. Landing them, however, has proven a little more difficult with fish well in excess of a meter, catching anglers off guard and tangling them around the pontoons before busting them off.

For the freshwater fisherman there's been plenty of freshwater action as well Tinana Creek is still the pick with Bass being landed up to 50cm.

cheers,
Sheree

Lets check out the brag board.

Lockie is up first with a magnificent Mary River Barra, this one weighed in at 8.7kg

Kerry was pretty happy with her first Threadfin

Ben had a great trip out wide, landing this 3.09kg Pearl Perch

Daniel's Cod weighed in at 7.5kg well done mate, the smile says it all.

Then Comes EASTER!!!

Page 4

We already have lots of great stall holders from around the Fraser Coast booked in for our Easter Markets as part of the Annual Poona Easter Festival.

Sites are available outdoors (Market Ally) or inside the Hall.

A small booking fee applies.

Just letting Poona locals know that we would love to hear from you too!!!

If you are new to Poona & have products that you make or sell this could be a great opportunity for you.

Please Note: FCRC requires a Food Licence for anybody selling food. Unfortunately without this, baked goods, cakes biscuits, sweets etc cannot be sold.

This years markets are shaping up to be even bigger & better than 2022, with lots of variety, including Coffee Vans & Food Vendors.

Over the up & coming weeks we will be previewing some of our great stall holders.

“HOT FLASHES”

Have you got what it takes?

The Rural Fire Service (RFS) needs all

types of people, with a wide range of skills,

to keep brigades running & communities safe. The RFS is spread across 93 percent of QLD & has approximately 1400 Rural Fire Brigades, made up of approximately 28,000 volunteers. There are only a few requirements to becoming a non-operational member of your local RFS Brigade.

A: Most importantly, a genuine interest in voluntary community work & the objective of the RFS

B: Commitment to developing a positive culture in & around your Rural Fire Brigade area.

C: Available time to dedicate to performing your role.

D: Ability to comply with relevant QFES Policies, Procedures & Legislation, including Code of Conduct & Workplace Health & Safety.

SAFETY IS OUR NUMBER ONE PRIORITY. PREPARE YOUR LAND NOW.

IF YOU SEE A FIRE NEVER CALL INDIVIDUALS. CALL 000 IMMEDIATELY. IT IS THEN LOGGED AS A CALL OUT WITH FIRE COM. IT IS FASTER TO GET A CREW ON SITE.
