## PCPA UPDATE

Mid-year is upon us and bringing with it, chilly nights and glorious sunny autumn days to enjoy.

If you are looking for motivation to keep active over the winter months, there are plenty of activities on offer with the Young at Heart Group, the Garden Group as well as the activities held at the hall. You will never know the friends you will make or how much fun it can be until you have a go!

To all of our Volunteers - it cannot be overstated the extraordinary efforts of all past and present volunteers, who continue to support the Association, members and residents of Poona. Thank you so much for your time and generosity. It is wonderful to see many new residents offering their time and effort to volunteer and so heart-warming to welcome back long-term residents to activities and events at the hall.

*A Volunteer Appreciation Poem*

*The Key to our success*

*Rests in people like you,*

*Who embody the spirit of greatness*

*By saying, "Yes I can and you can too!"*

As a token of our appreciation, the PCPA will be holding our annual appreciation get together brunch on 24/06/2023 at 10am. The invitation is extended to past and present volunteers but also to residents interested in learning more about group activities, opportunities to volunteer or to chat with the Committee, please feel free to come along.

Multi-Purpose Court - Shade Structures

Works is progressing with the replacement of the posts, followed by the shade structures. Works to be completed late May early June.

At the recent General meeting held on 13<sup>th</sup> May 2023, Daniel Sanderson provided an update on what is happening across Council and his advocacy for the Poona community both within Council and more broadly.

*It is budget preparation time and all businesses, including council are trying to manage the continued rising cost environment. With that challenging financial backdrop, I am continuing to advocate on behalf of Poona and other small communities in my division to ensure projects from the Community Infrastructure plan are considered if not in next year's budget them at least within the broader 10-year capital plan Council adopts each year.*

*Having recently met with Council's Directors of Infrastructure and Development and Community to discuss the Poona Community Infrastructure Plan and ways we could look at advancing projects over the coming decade.*

*Once the budget is finalised, we will continue to engage with the Poona Community Progress Association and the community to progress the components of the Infrastructure plan moving forward for the betterment of the Poona and wider community.*
